Your membership fees are shared between IYASW, which is the national association, and your regional association. As the national level, your membership enables us to fund the teacher certification process, the publication of Yoga Samagri, the IYNAUS website and administration. Your regional association provides the support and infrastructure to provide Iyengar Yoga and other yoga services to you.

Announcements

Welcome to the new IYNAUS Member Portal! The new portal has a more streamlined look and feel, but sections are the same. The main member page is still called MyPage. MyPage contains the editable member profile and login information, payment history, and all of the teacher sections. Teacher sections include assessment tables, continuing education, and listing information for the public directory. Be sure to keep your information up to date! The Member Benefits section still has access to all the great member benefits, including class recordings, train seminar teachers.

We have some new features, too. Members can now submit a workshop in the member portal under Workshop Submission and access teacher, workshop, and studio directories under Directories. Non-teaching members can opt to have their membership admininistered locally.

Please note the new member portal has new IYNAUS ID numbers even though all membership information (e.g., region, payment history etc.) is the same.

3. SELECT IYASW AS THE REGION AND MEMBERSHIP LEVEL IS "GENERAL MEMBER" (DONATIONS ARE OPTIONAL)
